

NGK Spark Plugs Canada Limited Race Sponsorship Program

Thank you for your interest in the NGK Spark Plugs Canada Limited race sponsorship program. The purpose of this document is to inform you about the terms and conditions of this program and also provide the guidelines on how to apply for Sponsorship.

The NGK race sponsorship program primarily consists of product sponsorship (i.e., Spark Plugs, Ignition Wire Sets) on an annual basis. No monetary support is provided under this program. The program is open for all individuals and teams, who wish to participate and compete in organized and legal motorsport events all across Canada.

Terms & Conditions of the Sponsorship

To qualify under this program, each sponsored team/individual should participate in at least 2 (or more) professionally organized motorsport events in Canada. As an integral part of this program, each sponsored individual or team must sign a “Release of Liability Form” provided by the NGK, along with the other required documentation, within 60 days of approval of their application.

The following is the brief list of terms and conditions that each sponsored individual or team must comply with:

1. NGK Spark Plug decals must be prominently displayed on the race vehicle at all races, meets, practices, shows and promotional events. (Minimum sizes: 3” on Motorcycles and ATV’s, 5” on personal watercraft, 8” on race cars and boats where possible)
2. NGK Spark Plugs 25” decals must be displayed prominently on both sides of the race vehicle transporter. (Minimum 8” decal for small transporters)
3. NGK Spark Plug patches must be worn prominently and clearly visible on all racing suits and uniforms worn by the racer and team members.
4. NGK Spark Plugs must be used exclusively in the race vehicle, for the length of the sponsorship.
5. NGK Spark Plugs Canada Limited and its representatives will have authorization (non-exclusive sub-license) to use the driver/team’s name and accompanying logo solely for marketing purposes and will be allowed to use them in any medium in any promotional activities of NGK Spark Plugs Canada Limited.
